This includes the draft Consultation History, Consultation Approach, Description of the Proposed Action, Analytical Framework, Environmental Baseline/Status of the Species/Status of Critical Habitat, Delta Smelt Effects Analysis, Effects to Delta Smelt Critical Habitat Analysis, and Cumulative Effects. These documents were also transmitted today to an independent peer review panel for a two-week review period. In order for us to maintain the schedule for this consultation, we are requesting comments by Friday April 26. If you have any questions, please contact Kaylee Allen at 916-930-5632 or Jana Affonso at 916-930-2664.
