

A man with a beard is wearing a black VR headset. The background is a stylized Earth with green and blue swirling patterns, set against a dark space background with stars. The text "A Future without Spheres" is overlaid in white, and "Eric Hackathorn, NOAA" is overlaid in light blue below it.

A Future without Spheres

Eric Hackathorn, NOAA

Why do we love the Sphere?

Big, bold and beautiful

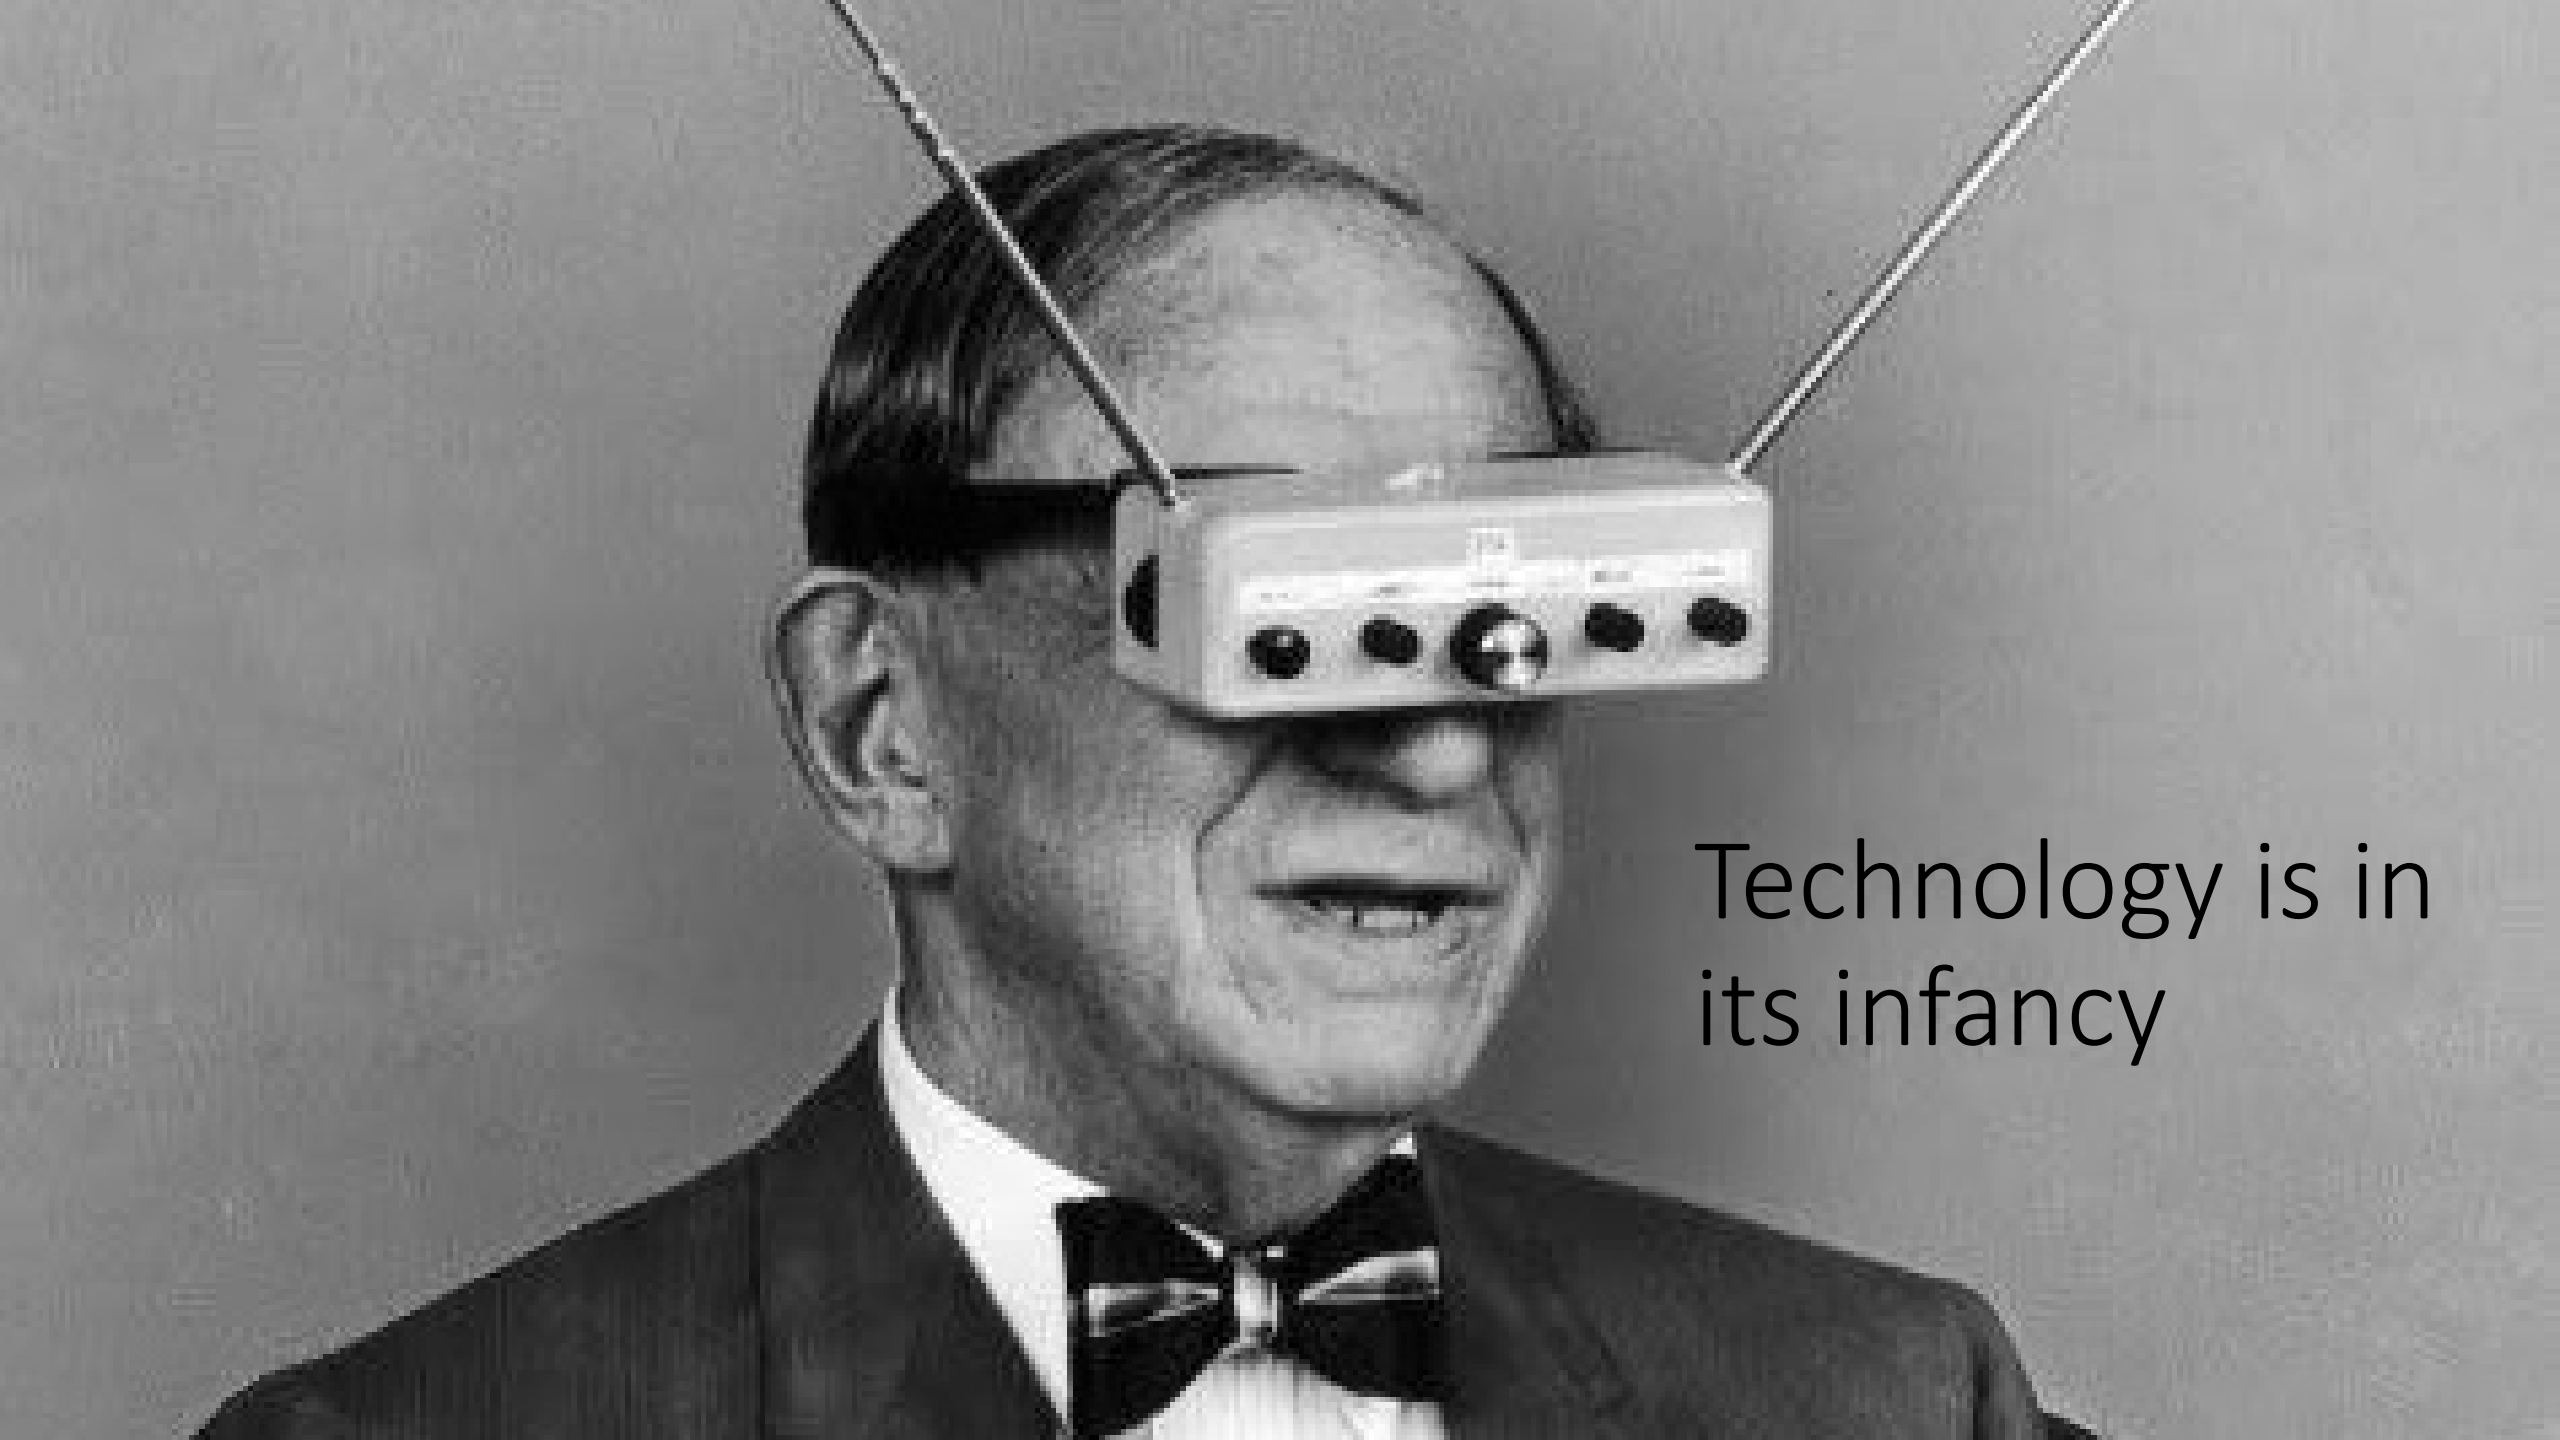

What happens when we don't need the sphere?

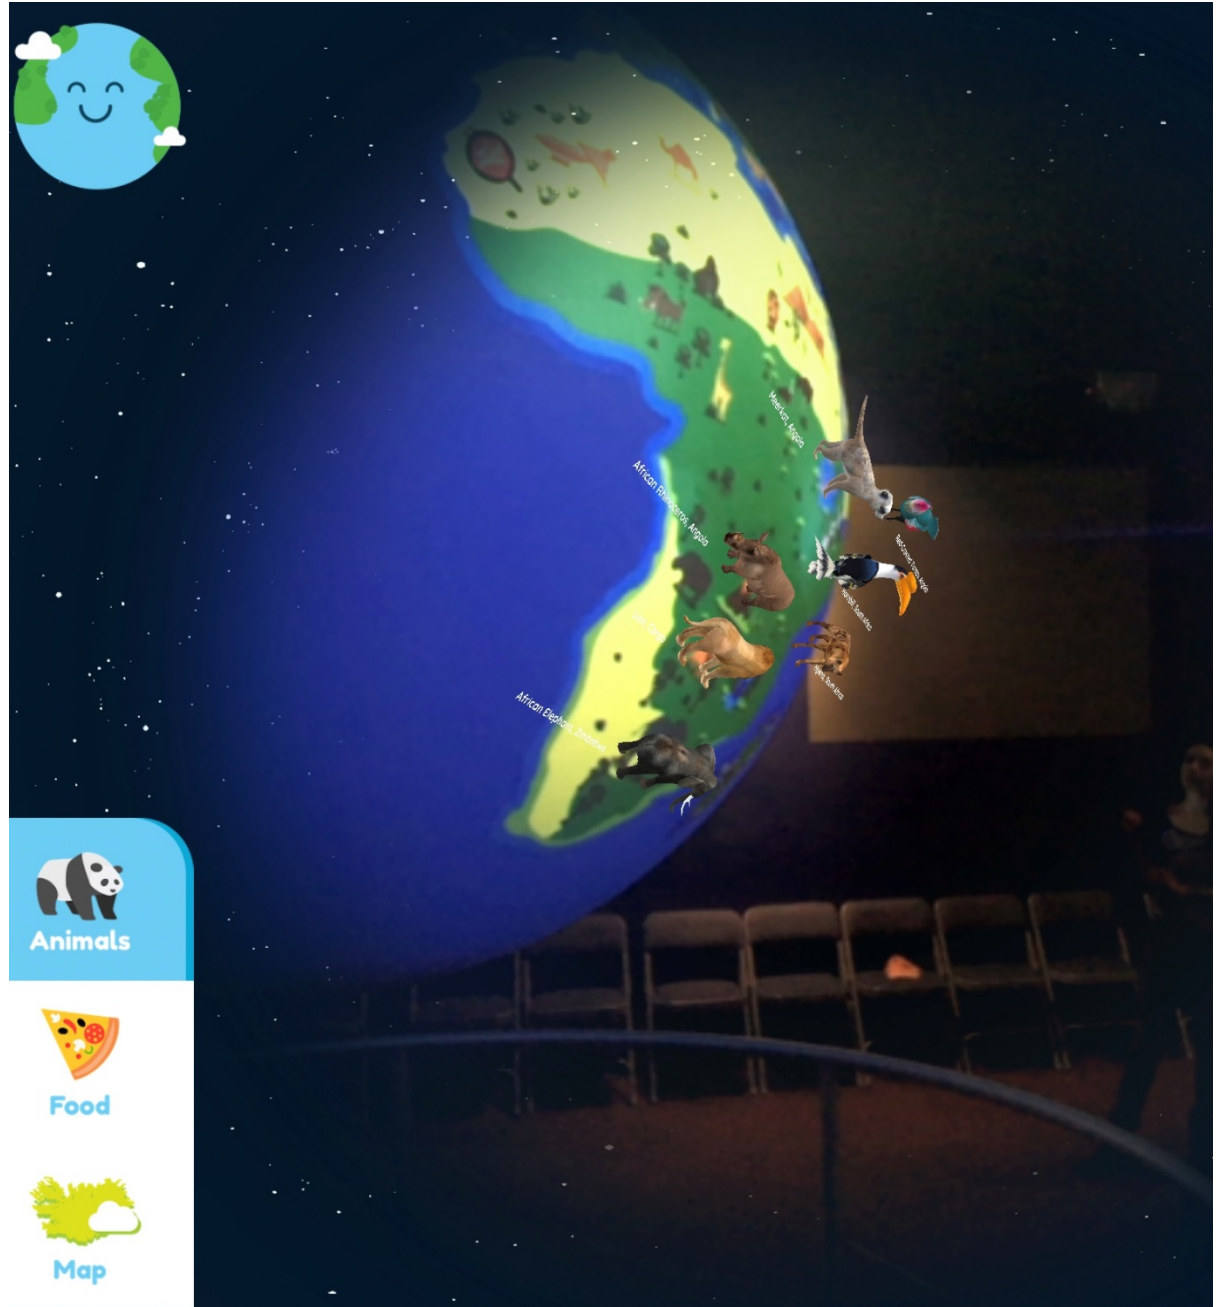

Technology is in
its infancy

Spheres wherever, whenever

A less claustrophobic future

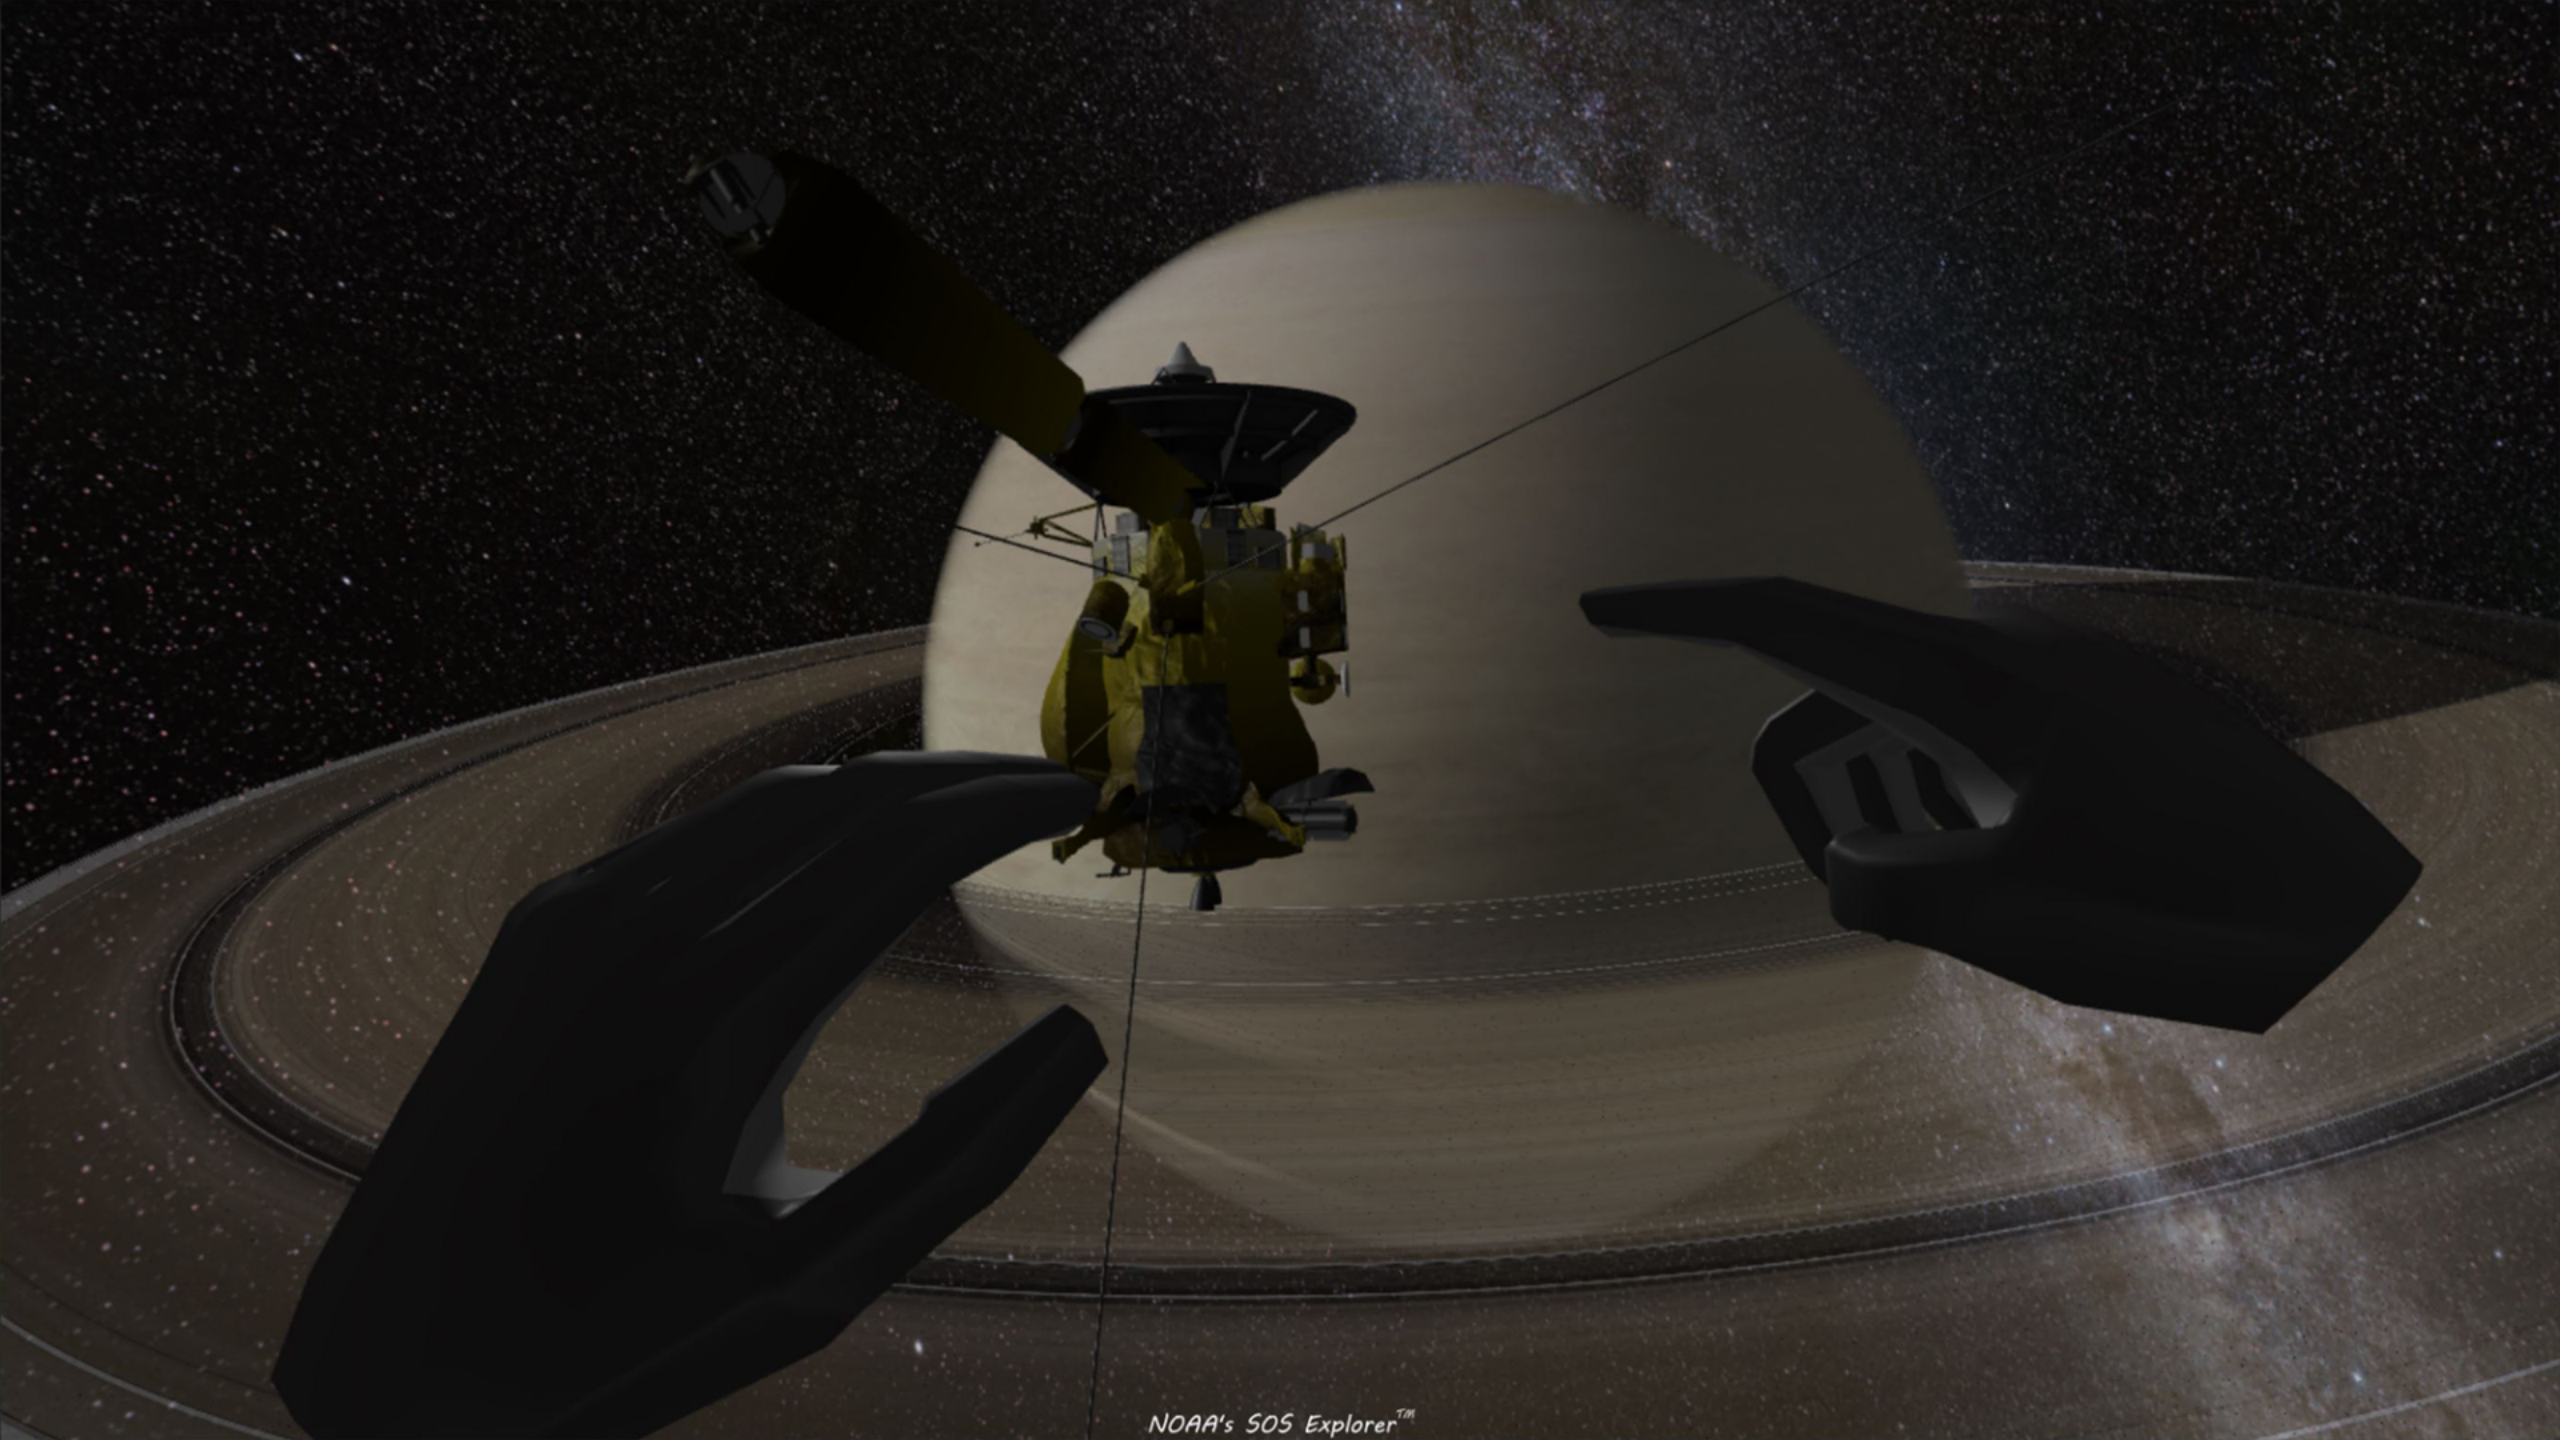

B.Y.O.D.
