

CLEARANCE SHEET

TITLE NOAA DIVING PROGRAM

PURPOSE

The NOAA Diving Program (NDP) has issued the NOAA Scientific Diving Standards and Safety Manual and the NOAA Working Diving Standards and Safety Manual to provide clear and precise guidance on procedures to be followed while diving for NOAA. As a result, the NAO required complete revision.

All Line/Staff Offices (NMFS, NOS, OMAO, and OAR) that participate in the NDP are members of the NOAA Diving Control and Safety Board and have reviewed and approved this revision (see attached sheet).

There is no redline copy as the NAO has been completely revised.
