

Release Notes for Grants Online Version 6.0

Date Deployed: March 24, 2023

When Census users meet the prerequisites specified below, they will be restricted from accessing Grants Online. [JIRA: **NGO-1346**]

- A PDF file was created for all Census Awards.
- Workflow processes associated with managing an award are complete.
- The following actions will be completed for Census Federal and Recipient Users who **do not** have Awards funded by other bureaus:
 - User roles are removed
 - User accounts are deactivated

In addition, a bureau-wide database, with read only access, was created. Census users who have multi-bureau affiliations have read only access to non-Census Awards.
