Hi Lance,
Thanks for the introduction.

Hi Jenny,
Todd Jones gave us a heads up last week about this. Was hoping you might be able to provide a timeline for stakeholder engagement (e.g. DoD) for the proposal?

Aloha, (b)(6)

Subject: Contact for green turtle listing rule, and questions about proposed critical habitat

(b)(6) - Jenny Schultz at OPR is the NMFS lead on the green turtle proposed and final listing rules. As I mentioned, our eventual goal for new listings is to publish a proposed critical habitat rule simultaneously with the final listing rule, though I don't know how likely that is to happen with the final green turtle listing rule - Jenny might be able to provide more insight.
