Greetings,

We are looking forward to the Shasta RPA Amendment Workshop that will be held this afternoon at Reclamation's Regional offices at 2800 Cottage Way in Sacramento (2:30 PM). For those who will be using the WebEx/Call-in option, attached are a set of slides that we will be using to guide the discussion during the meeting. Also attached is an agenda which contains the call-in information and a link for those participating by web-conference. We will also update the meeting invite shortly with the web-conference link/call-in info.

Feel free to forward this message to anyone we may have missed that should be involved. Also please let me know if you would like to be removed from future emails on this topic.

Thanks,
Jeff
