Anita,

Please print the attached for Maria in prep for the ROC on LTO briefing on Monday afternoon:

Tracks 1 and 2:

1. NEPA and ESA schedules for Tracks* 1 and 2. See assumptions at the end of each schedule.
2. Reclamation's initial list of Track 1 ideas

3. Initial feedback from the WODC Branch on the initial list of Track 1 ideas
4. CVP and SWP contractors' ideas for Track 1. A lot of these ideas are as Reclamation's list because a lot of them came from the Delta brainstorming meeting to generate ideas for Track 1.

Track 3:

5. December 2016 Interagency MOU
6. Options for duration
7. Options for CWF
