Release Notes for Grants Online Version 5.10A
Date Deployed*:* February 10, 2023

Global

System-generated email notifications must conform to Internet Engineering Task Force standards. A more rigorous enforcement of those standards has resulted in Google rejecting Grants Online system-generated emails with more than one To: addressee or more than one cc: addressee. A modification of the method used to process Grants Online email was implemented to resolve the recently identified issue.   [JIRA: NGO-1357]
