

Kevin L. Williams  
17525 58th W  
Lynnwood, WA 98037

Principal Physicist, Applied Physics Laboratory, University of Washington  
Associate Professor, University of Washington School of Oceanography

## EDUCATION

*Ph.D., Physics*, Washington State University, 1985  
*M.S., Physics*, Washington State University, 1983  
*B.S., Physics*, Washington State University, 1979

## HONORS/AWARDS

Fellow of the Acoustical Society of America, 1998

## EMPLOYMENT

2011-	Department Chairman, Applied Physics Laboratory, Univ. of Washington, Acoustics Department
2001 -	Associate Professor, University of Washington, School of Oceanography
2000 -	Principal Physicist, Applied Physics Laboratory, Univ. of Washington
2008 - 2011	IPA at Office of Naval Research
2000-2006	Department Chairman, Applied Physics Laboratory, Univ. of Washington, Ocean Acoustics Department
1998-2000	Affiliate Associate Professor, University of Washington, School of Oceanography
1995-2000	Senior Physicist, Applied Physics Laboratory, Univ. of Washington
1988-1995	Physicist, Applied Physics Laboratory, Univ. of Washington
1985-1988	Physicist, Naval Coastal Systems Center, Panama City, FL
1979-1981	Physicist, McDonnell Douglas, Huntington Beach, CA
