Hi,

I'm reaching out from The Hill seeking comment on emails obtained by the Washington Post from acting chief scientist Craig McLean promising to investigate NOAA's response to President Trump's claims about Hurricane Dorian hitting Alabama. For context: <https://www.washingtonpost.com/weather/2019/09/09/noaas-chief-scientist-will-investigate-why-agency-backed-trump-over-its-experts-dorian-email-shows/>

Best,
