Thank you so much!

Curious question - are you a scuba diver? I belong to a five group with astronauts and aquanauts and we're always interested in dynamic and informative speakers of sea or space. Diving to boot! Interested?

Best to your mom and to you. Thank you for your support! Cheers to all at ESRI.

Dear Craig,

We are so very proud OF you and to know you! Thank you for the stand that you are taking (e.g., <https://www.washingtonpost.com/weather/2019/09/09/noaas-chief-scientist-will-investigate-why-agency-backed-trump-over-its-experts-dorian-email-shows/> ). As you can probably imagine the incredible irony of #SharpieGate is not lost on the GIS community. ??

We are ever behind you, and of course NOAA! And my mom sends a warm hug!

Sincerely,

Dawn
