Lou,

You probably don't remember me. I worked at NWS but it has been a long time ago now. In any case I want to thank you for standing up for the Folks at the Birmingham WFO. The whole situation made me sick. I sent an email to the MIC there and got a nice email back. I'm sure it's been a rough time for them.

Anyway, thanks again for doing the righteous thing.

Best Regards,

Eric Mandel
