You do that. Meanwhile, I hope you're able to get some sleep. The pressure you are under must be tough. But boy, I was proud watching your talk and then seeing part of it again on Rachel's show. You are among the very few willing to stand up and say *This is not right*. I love that you got a standing ovation for doing it.

Congratulations.

Just sent it to Franco and am eager to see it with him. Thanks!

However...what are we to make of the story coming out about Sec. Ross threatening to fire some of your employees over the Alabama business?
