Hi Dr. Uccellini,

I write hundreds of letters to people whose life stories charm me. In addition I have created a "Noble Prize" certificate for many of those people, to recognize some notable action.

In your case, it was your superb personal recognition of your Birmingham Team in their dustup with the White House. Of course, I awarded that Team another 10AttaBoys/Ladys for their courage.

I am proud of you all.

Cheers,
John Minck
