Thanks. A little garble at some important points. Is there a transcript I could see?

Hi Bo-

Dr. Jacobs addressed recent events during a speech this morning at the National Weather Association's annual meeting. There isn't "official" video, per se, but you can watch it here: https://m.facebook.com/story.php?story_fbid=537040627047504&id=340082262743287&refsrc=http%3A%2F%2Fwww.google.com%2Furl&_rdr

Hey, sir.

Been a rough week for Dr. Jacobs. The editors asked me to reach out, since we did the recent profile, to see if he wants to comment on the Dorian-Alabama controversy.

Thanks,
