Please do not give a phone number for any of us. I am at NRCC not in the box and Althea is only going to take a message. Please provide email address only for me and Chris. I am working to see if we can have a statement to confirm they are NOAA products.

Kindest regards,

Jeoff from the Daily Mail just called me about this. He was given my number by NOAA COMMs HQ x6090. I suggested he call Julie Roberts at x6090. He will probably call NHC as he is looking for clarification on NHC maps.
