Hello-

In light of today's additional Tweets, can this message be resent as a reminder? Additionally, I hear that reporters may be contacting forecasters on their personal Twitter accounts and they should not engage.

Thanks...
-Chris

Attention all ROCs and National Centers,

NWS Leadership is asking that we do NOT respond via social media, or other, to any questions which arise from a tweet recently posted by the White House containing an old NHC forecast for Dorian.

Staff should direct any questions/inquiries to NOAA Public Affairs. Have them contact Christopher Vaccaro (christopher.vaccaro@noaa.gov) and also copy Susan Buchanan (susan.buchanan@noaa.gov) and Lauren Gaches (lauren.gaches@noaa.gov).

ROCs, please pass along this message to WFOs, National Centers, please pass along to staff working social media/phones.

Thank you,

Shawn Smith
