**Subject:** Re: Message From NWS Leadership On Recent WH Tweet; Send Any Questions to NOAA Public Affairs

Colleagues, a reminder that this guidance still applies given there have been subsequent tweets since this original message.

Thank you

George

Attention all ROCs and National Centers,

NWS Leadership is asking that we do NOT respond via social media, or other, to any questions which arise from a tweet recently posted by the White House containing an old NHC forecast for Dorian.

Staff should direct any questions/inquiries to NOAA Public Affairs. Have them contact Christopher Vaccaro ([christopher.vaccaro@noaa.gov](mailto:christopher.vaccaro@noaa.gov)) and also copy Susan Buchanan ([susan.buchanan@noaa.gov](mailto:susan.buchanan@noaa.gov)) and Lauren Gaches ([lauren.gaches@noaa.gov](mailto:lauren.gaches@noaa.gov)).

ROCs, please pass along this message to WFOs, National Centers, please pass along to staff working social media/phones.

Thank you,

Shawn Smith
