DOC:

Please see attached, which is based on the conversations that we had. I know Karen was thinking

(b)(5)

Neil is polishing the personal stories, but in the interest of time we wanted to get you the key elements that speak to the concerns that have been raised over the past several days.

There is also some additional language on Administration accomplishments regarding weather forecasting. We are expecting this to be non-controversial, but welcome any feedback.

We will be standing by for your comments. Thanks very much.
