Same producer sent an email to Dennis, too. Everything is properly being routed to me. And today has been quiet in terms of new questions on this old topic.

Hello,

My name is Diane Kaye and I am a producer for a TV show called "Reliable Sources" on CNN. We are planning to discuss President Trump's comments regarding Hurricane Dorian and the state of Alabama on our show this Sunday, 9/8/19, and I wanted to see if either of you might be interested and available in joining us between 11am-12pm ET. Please feel free to give me a call if you have any questions or wish to discuss this further.

Thank you very much,

Diane
