Subject: Dorian forecast guidance- Alabama
To: FEMA-ESF15-Coordination <FEMA-ESF15-Coordination@fema.dhs.gov>

Good afternoon,

Sharing guidance from NOAA's National Weather Service recent regarding media inquiries and social media activity about Hurricane Dorian and Alabama (see [USA Today article](#)).

NOAA public affairs is responding to media with the following:
The current forecast path of Dorian does not include Alabama:

https://www.nhc.noaa.gov/refresh/graphics_at5+shtml/155815.shtml?cone#contents

For the latest forecast information, please visit hurricanes.gov.

Please let me know if you have any questions.

Thank you,
Kate
