Copy on all. We'll be able to get the poster in and easels will be available.

Best,

Subject: **FOR REVIEW** FEMA Poster for POTUS Brief Today
Importance: High

Good morning,

Please find FEMA's poster attached here. We are printing 40x26 here at FEMA HQ and Mr. Gaynor will bring with him. Am I correct in that we do not need to bring an easel? Also, will someone be there to greet him and bring the poster into the Oval?

Additionally, (b)(5), Mr. Gaynor will be prepared for the press pool to be brought in and discuss FEMA preparations and emphasize vigilance/ preparations for Floridians/ visitors through the holiday weekend.

Please let us know if you have any questions or need anything else.

Thanks,
Jessi
