Hello,

My name is Diane Kaye and I am a producer for a TV show called “Reliable Sources” on CNN. We are planning to discuss President Trump’s comments regarding Hurricane Dorian and the state of Alabama on our show this Sunday, 9/8/19, and I wanted to see if either of you might be interested and available in joining us between 11am-12pm ET. Please feel free to give me a call if you have any questions or wish to discuss this further.

Thank you very much,
Diane
