Thank you.

(We reached out to WH press hours ago. Still no word.)

Geoff

Please contact the White House Press Office.

Kindest regards,
Julie Kay Roberts
Deputy Chief of Staff
National Oceanic and Atmospheric Administration

Hi – I cover the White House for NBC News.

We're hoping you can provide a statement or guidance about the apparently doctored map President Trump displayed in the Oval Office today, showing Alabama to be within Hurricane Dorian's path. Is the projection map legitimate? Do you know how or why Alabama was circled?

<https://www.nbcnews.com/politics/donald-trump/why-does-trump-s-hurricane-map-look-different-others-n1049711>

Thank you.

Geoff
