## Your Highlights

**Andrew Freedman**   
@afreedma

Exactly. Also, an appropriate time to re-up this: (Franzen bit is around 2:15 in). [twitter.com/alexckaufman/s...](https://twitter.com/alexckaufman/s...)

@leighmunsil

RT [@OriginalYoni](#): PLOT TWIST LEVEL ??

**Al Roker**   
@alroker

The [@NWS](#) has never been used as a political tool. Its bedrock is science and data. Sure, forecasts will be wrong but creating a false narrative when the facts show otherwise is

dangerous

## NOAA staff warned in Sept. 1 directive against contradicting Trump

They were also told not to "provide any opinion," according to a copy of the email. NOAA's ba... [more](#)
