That is still true as noted in our track forecast:

[https://www.nhc.noaa.gov/refresh/graphics\\_at5+shtml/154449.shtml?cone#contents](https://www.nhc.noaa.gov/refresh/graphics_at5+shtml/154449.shtml?cone#contents)

Hi Chris,

I'm a CNN reporter. I saw your comment to AP about Dorian and Alabama: "The current forecast path of Dorian does not include Alabama."  
Could you tell me if that is still true?

Thank you for your time.

Sincerely,

Daniel
