Hi Julie -

We have contacted the WH press office.

My question is specific to the map that your agency provided to the White House.

Can you answer it, please?

Thank you.

Arden

Hi Julie --

Question for you regarding yesterday's Oval Office event with the president:

Was the map that he presented an accurate reflection of NOAA or NHC's work?

In other words, was the map the president showed reporters identical to the map your agency provided him?

Thank you.
