Subject: You are a disgrace

NOAA Staff Director Julie Roberts,

You are a disgrace, you have undermined your own agency.
I will never again truly trust any statement from NOAA.
If you were working for me, I will fire your ass immediately.
You are a disgrace to the human race.
Trump is an IDIOT and it looks like you are one too.
Did you forget the oath?

I took the oath

I DTI, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God.
