Subject: MORONS at NOAA disgusting

Screw the MORONS at NOAA they lie just like Moron Trump.

Thank You for standing up for the truth and working to save lives in the USA!

Dan Sobien, president of the National Weather Service Employees Organization, lambasted NOAA's characterization of events and defended the agency's employees.

"Let me assure you the hard working employees of the NWS had nothing to do with the utterly disgusting and disingenuous tweet sent out by NOAA management tonight #NOAA," he tweeted Friday.
