REVOCATION NOTICE

NUMBER: NAO 212-11   DATE: **DEC 0 8 2008**

SUBJECT: ACQUISITION OF INFORMATION TECHNOLOGY RESOURCES

---

1. THIS TRANSMITS:

Revocation Notice for NOAA Administrative Order (NAO) 212-11, Acquisition of Information
Technology Resources, dated May 30, 1991.

2. PURPOSE:

This Revocation Notice revokes NAO 212-11, Acquisition of Information Technology Resources.

This NAO is one of a set of NAOs (212-1, 4, 6, 7, 9, and 11) that were created contemporaneously to
establish a system for managing NOAA's information technology investments. At that time there was no
comprehensive Federal framework addressing as a whole the various aspects of information resource
management. Since then, the passage of the Clinger-Cohen Act, the Federal Acquisition Streamlining
Act, and the Government Performance and Results Act, along with the creation of the current capital
planning and investment control (CPIC) process, have combined to establish such a Federal framework of
statutes, policy, and other guidance for information resource management. This Federal framework
supersedes all of the administrative and management functions served by the set of NAOs referenced
above, including NAO 212-11, the subject of this Revocation Notice.

Elements from the Federal framework obviating the need for NAO 212-11 are published at the following
websites:

> IT Policy and Legislation
> Executive Order 13011, Federal Information Technology
> Clinger-Cohen Act
> Federal Acquisition Streamlining Act
> Government Performance and Results Act
