Neil,

Quit politicizing the weather for the sake of the chump administration. Have some damn integrity and do the right thing instead of bowing down to corrupt cronies like the chump administration's wilbur ross that bag of bones with narcolepsy. How the hell do you politicize the weather for Christ sake...this is how low our country has fallen and you have helped the fall by releasing a statement brow beating the Alabama NWS who were RIGHT!!!! Shame on you. Sad!
