To save your reputation and stand up and be a man. You chose to be a Trump Sycophant Mouse.

Shame. Shame. Shame.

I hope this \*is\* tough for you. I hope you \*do\* get choked up some more. Because you sold out the very people you have work with for all these years and when you had a chance to correct your mistake YOU WERE TOO COWARDLY TO DO IT.

This is what Trump does to people - he demands loyalty then shows none. He ruins peoples careers.

You had a chance . . .
