I like it -- definitely captures the spectrum of options. Did you have the sense Garwin would want to see it right away? My inclination is that, unless he or Howard or Cathy ask about it, we just check in next week, maybe at Monday's team meeting if that happens.

Hi Barb,

When you have a chance take a look at these tables and let me know if I am on the right track with what you were thinking. I populated them with a couple rows from the Clear Creek I&S table to give an idea of what they would look like.

Thanks,
Brittany
