Subject: Clear Creek Redd Count Data

Hi Charles,

I work out of the NMFS California Central Valley office and am currently updating figures on Upper Sacramento Steelhead redd counts.

Sarah Gallagher recommended to me that you may be able to provide me with data on **steelhead redd counts in Clear Creek**. Currently I have data that spans 2001-2015 and I am looking for numbers from 2016 and 2017.

Please let me know if there is someone else I should contact for help locating this information.

Thank you for your help,
Brittany
