Subject: Re: CVP consultation

Hi Howard,

Yes, *P. eulachon* should be on the species list. I responded to Garwin, Barb, Katrina, and Luke on their sp list inquiry via email.

Thanks,

Justin,

I left you a voicemail yesterday about the CVP consultation and the trinity division. We should check in together on this. We have a question about species list, is Pacific Eulachin on your species list for trinity effects?

Howard
