I can put a comparison table together by late afternoon for feedback, and then finish/clean-up/revise per feedback Friday morning.

Am planning to attend the Trinity meeting on Friday; will also plan to tag along for the OMR criteria meeting with Jeff that afternoon.

Garwin and Barb,
Thanks for all of your work preparing for the tiger team meeting yesterday. Looking ahead, we need to do some prep for our small group meetings. This is where I think we need to pull together a side-by-side analysis of what is in the PA and what was in our RPA for the critical items that are likely to be most challenging for us. Can you get that together today? I'm thinking that we need Shasta, OMR, I:E and HORB/Georgiana. I am also thinking that Barb should go with Jeff to the Friday meeting with Reclamation.

Meanwhile I am going to try and get something on Maria's calendar to prep for the Tuesday Shasta session.

Thanks again!
Howard
