Subject: ROC on LTO: What's in the PA?

Hi leadership team,

I hope this isn't a dumb question but are the GCID and TCID facilities included in the PA? There's no analysis so they shouldn't be included. Reclamation isn't seeking ESA take coverage for those facilities right?

On pages 4-24 and 4-25 of the BA it is stated: "The Sacramento Division includes the Red Bluff Pumping Plant, the Corning Pumping Plant, and the Corning and Tehama-Colusa Canals, for the irrigation of over 150,000 acres of land in Tehama, Glenn Colusa, and Yolo Counties."

Just checking,
Evan
