Hi all --

Looping in Evan so he can join us.

We're briefing Maria 2-4 pm Monday so 3 pm won't work. Could we do:

11:00 - noon Monday (I know, not much time to prep) or
4-4:30 Monday
Noon - 1 pm Tuesday (but without Eric)

I've attached Evan's draft of the section (which in full disclosure I have not yet looked at, but I totally will by the time we talk!). It would be helpful if you can scan through it before the call.

Noble, do those times work for you? They seem free for Eric and Evan.

Thanks!
Cathy

On Monday I have a call 2-3PM scheduled but otherwise I'm free. Let me know what time works for you all. I can't imagine that Eric would never let his American snootiness be replaced by European snootiness.

Hope you guys have a great weekend!

Are you free at all on Monday for a call? we have a draft section (i haven't even seen it) but should start to discuss, esp before Eric becomes a snooty european.
