Hi Rosalie,

That may be more efficient. I'll try to revise the steelhead I&S while you're reviewing GS v3. I haven't done this, but we may be able to go through all the I&S sections and just replace 'extinction' with 'survival' and/or 'recovery'.

Thanks

Joe

Hi Joe,

Finished winter run I&S review and I am planning to review the revised GS I&S (ver 3) you sent yesterday. I still have your original steelhead draft in my queue. Will you be revising the steelhead draft you sent me the other day in light of my comments on GS?

Thanks,
Rosalie
