Hi Garwin,

I believe you guys are working on this so wanted to share with you my comments thus far on v10. I will resume my review starting on Page 15.

Thanks,

Rosalie

Rosalie,

We're trying to keep any version control issues manageable, so only sending the attached to you (Maria has a hard copy of an earlier version that does not include my track changes). We think it's in decent shape (despite the track changes) for your read and valuable input.

Thanks!
