Subject: Re: Today's Tiger Team Agenda -- need more Delta discussion?

I texted Katrina last night to remind her to send out the agenda, and asked the same thing about the absence of Delta for today. She thinks we're all good. So, if you don't think so (it was a bit schizo yesterday so I lost track of where we were and what needed to be covered), please start off the meeting asking Katrina when we will discuss X, Y, and Z.

Katrina's e-mail forwarded below with no more time for Delta; I think we still have some outstanding Delta items -- i.e our key elevation issues:

- HORB/Georgiana (after yesterday's meeting, I talked briefly with Katrina and she thinks Rec may be open to putting Gerogiana into the PA)
- OMR Storm Flex
- I:E ratio?

I suggest we ask about these remaining Delta issues; maybe schedule for Mondays Tiger Team meeting? Would be good to schedule when Howard can be there, as he can best channel Barry/Maria from the issue elevation discussion.
