Subject: Re: PLEASE RESPOND -- WUA AND FLOODPLAIN ANALYSIS

I did not use WUA or floodplain inundation results yet.

I plan on at least looking at the American River steelhead spawning WUA.

I just got word that the WUA and floodplain inundation results were grouped incorrectly wrt water year types.

PLEASE LET ME KNOW ASAP IF YOU USED THESE SO FAR, OR IF YOU PLANNED TO.

I have some updated results.

I understand that this is frustrating.

For now, just let me know if you used either of these so far in your analysis or if you planned to before finishing on Thursday.

Stay strong, friends!
Cathy
