In that case, I have 2018.

How are your sections coming? I finished mine over the weekend. Let me know if I can assist in any way.

OK. Remember the 2018 report is for the 2017 season!

Thanks Jeff. I have the 2007-2015 report cards from when I worked on the in-water work window paper, and see the 2016 and 2017 reports on the CDFW website. But if you have a 2018 report, I'll take it!

Kristin, do you have all of the report cards? If not I can send you what you don't already have.

Jeff -- Kristin is pulling any green sturgeon reports from "Stockton to HWY 140 bridge" from all the green sturgeon report cards. If you already did that when you pulled data for the Delta, please share it with her.

Kristin -- See subject section on p. 15-16 of: NMFS Biological Opinion__JSS_Delta_ver1_32819, attached

I don't need a box and whisker chart (since will just be a few, a table or bar chart seems fine), but this is a good place to grab the text with all associated citations!!! (Thanks, Jeff!).
