**Subject:** Re: Do you have time for short call today?  
**Attachments:** Memo for Howard - ROConLTO\_Delta Division\_corrected.docx; Table Salvage density\_corrected text.docx

Hi Brian,

Here are the two documents I spoke about: the memo to Howard, and the salvage density tables, both with the corrections.

Jeff

If you're doing DOSS, then 11am. Otherwise, 9am would be good for me. Let me know.

The main thing I'd like to pick your brain on is whether the ROC LTO PA is more (or less) protective than current operations with respect to winter-run and spring-run juveniles in the Delta. I have an opinion on that based on the summary of effects table, but I'd like to get yours.
