I'm not losing my mind! Yay!

Attached are the Delta Division effects I wrote up, I'm not sure if these need to be added to Delta effects section

Jeff, while you're reviewing the green sturgeon I&S I just sent out could you incorporate these effects into the tables if necessary? I'm also attaching Brian if these pertain to any of his I&S sections

Thanks

Joe

I copied it to my desktop when I was looking at others' effect sections for guidance. Was there another named version that I can look for?

Joe, Susan said she deleted a document that you worked on. Is this by chance it?
