**Norma** -- the attached library contains all the refs I used in my effects analysis for the Stanislaus and San Joaquin River. Please add to the CVO library.

**cc'ed folks** -- thought you might be interested in grabbing the sturgeon report card refs if you don't already have them in your personal library -- I've got 2007 (the first year) through 2017 (publication years 2008-2018).
