**Subject: Re: E-mail 5: ROC on LTO draft BiOp sections for QA/QC review**

Hi Garwin and Team,

I offer comments on the SRKW effects section (attached). Assuming my comments are addressed, I'm clearing the section for peer review. By the way, in case it's not already on your list, the BiOp will need a SRKW Integration & Synthesis section...

Thanks and please let me know if you have any questions.  
Rosalie

Rosalie, Chris x 2,

As we continue with the first QA/QC review of the ROC on LTO draft BiOp, attached is the Southern Resident killer whale effects analysis, and its supporting Chinook salmon analysis that will be included as an appendix.

Please provide comments in track changes by COB May 14, 2019, if possible. Please save the file with your initials at the end, and indicate whether you are clearing the section upon incorporation of your comments, or if you would like to see a revised version first.

Thanks.

-Garwin-
