Subject: Accelerated ROC schedule

All,

As a result of meetings today, NMFS committed to:

-- an expedited review of the Shasta Division effects section, and to send the section out tonight to DOI/Reclamation.

-- sending out the Delta and American River division sections tomorrow night to DOI/Reclamation.

Therefore, please coordinate within your respective division teams and have all reviewer comments addressed (in track changes) and sent to me by 4 p.m. Thursday.

Thanks.

-Garwin-
