Subject: Delta section plan for Thursday

All -- I updated the Delta effects version to 13 to capture all reviewer comments on V12. Jeff and I will be tag-teaming to transfer Maria and Rosalie comments/edits over.

Norma -- Jeff and I will likely be in this section most of the day; so may not be much time for you to work on Endnote citations. I am not sure of the Endnote status of other sections; defer to Garwin & Cathy on priorities for Endnote work.
