Subject: Fwd: Due COB today - for review - CA BiOps Deep Dive Material

I will re-print for you but these are the deep dive materials from last week.

To: Chris Oliver - NOAA Federal <chris.w.oliver@noaa.gov>

Hi Chris -

Attached are the materials for Monday's Deep Dive on CA BiOps (CVP & Shasta) that are due by end of day today. I had Sam review and he cleared with some edits that I incorporated.

Would you like to review before I send these forward?

I have them printed for you.

Currently, this meeting is set for Stu, John L, Brandon and Kevin. For us, Barry will lead.

Thanks,
Alesia
